

The Fund

The objective of the SPiRE Real Estate LP is to invest in income-producing real estate with the goal of preserving capital and providing investors with a steady stream of cash flow from a portfolio of investment-grade commercial real estate assets located primarily in Western Canada.

The Strategy

SPiRE LP holds a diversified portfolio of income-producing real estate including retail, industrial, office, and self-storage properties. The focus is on larger urban markets and on assets we are comfortable holding for minimum of 5-10 years. Potential risks are underwritten to minimize potential loss of capital through market, property, cap rate and interest rate changes.

The Manager

SPiRE LP is managed by Nicola Crosby Real Estate, a subsidiary of Nicola Wealth Management Ltd. Based in Vancouver, each of the Directors has more than 25 years of direct real estate investment and management experience and has assembled a team with extensive experience in real estate and capital markets throughout North America and Europe.
