

SPIRE

LIMITED PARTNERSHIP

The Fund

SPIRE US LP is a limited partnership with the objective of preserving capital and providing investors with a steady stream of income from a portfolio of multi-family residential properties (through limited partnership investments with Venterra [www.venterralliving.com]) and cash-flowing commercial real estate located in larger urban markets in the US. This fund is denominated in US Dollars.

The Strategy

SPIRE US LP's portfolio of selected properties is diversified by property type and location with a goal of maintaining low-to-moderate risk exposure for investors. The focus is on larger urban markets and on assets we are comfortable holding for minimum of 5-10 years. Potential risks are underwritten to minimize potential loss of capital through market, property, cap rate and interest rate changes. A portion of SPIRE US LP is owned by SPIRE LP.

The Manager

SPIRE US LP is managed by Nicola Crosby Real Estate, a subsidiary of Nicola Wealth Management Ltd. Based in Vancouver, each of the Directors has more than 25 years of direct real estate investment and management experience and has assembled a team with extensive experience in real estate and capital markets throughout North America and Europe.
