

## The Pool

NWM Global Equity seeks to provide unit-holders with long-term capital growth and secondarily with capital preservation by investing in Canadian and international equity securities issued by corporations around the world.

## The Strategy

The portfolio uses an active investment strategy with a mandate to invest in top companies on a global scale, creating a diversified portfolio of U.S., international, and Canadian equities. The fund primarily invests in third party mutual funds, externally managed segregated security portfolios and ETFs. Diversification of the fund is enhanced by utilizing funds and managers of different investment styles.

## The Manager

Nicola Wealth Management Ltd. (NWM), the "Fund Manager," is a wealth management and planning firm-established in 1994. With a philosophy built on cash flow and diversification, our growing series of funds is managed by members of NWM's Portfolio Management Team.
